

Rollomatic 5S shadow board

The Rollomatic 5S mobile shadow board is designed to store and organize all essential hand tools, accessories and documentations necessary for the efficient operation of your grinding machine.

This trolley provides professional storage on a single platform and features tool hangers, racks and trays for tooling such as collets, V-blocks and cassettes.

What are the benefits?

- Increases efficiency and productivity of your staff
- The same trolley with a full set of tooling can be used for one or multiple machines
- Shorter setup times, as all tools and accessories are in one place next to the machine
- Everything is visual and can be seen at a glance

The Rollomatic kit 5S System part no. 150939 is delivered complete with hooks and fasteners for tools as well as all plastic storage boxes. Assembly instructions are included.
